

TOOL ROOM & TRAINING CENTRE, GUWAHATI

FUNCTIONS AND DUTIES

(Under Section 4 (1)(b)(i) Right to Information Act 2005)

Tool Room and Training Centre has been established by Government of India to cater tooling and training need of industries of NE Region. The State Government of Assam has provided land and building to the Tool Room. TRTC has been registered as Government of India Society under Society Registered Act on 24th February 2000.

The management of the affairs of the Centre rests with the Governing Council constituted by Government of India. Additional Secretary and Development Commissioner (MSME), Government of India, is the President of the Society and the Chairman of the Governing Council.

The Centre has been set up, mainly

- i) To develop production facilities of moulds, jigs, fixtures, gauges & other sophisticated tools preferable for Small Scale Industries.
- ii) To train manpower in the field of tool making & other allied engineering trades both for the fresher's & for personnel already engaged in the field.
- iii) To provide common facilities in precision machining.
- iv) To provide consultancy facilities primarily for MSMEs units in the field of tool engineering aimed at improvement in productivity.

It renders services such as:

- a. Manufacturing of different Parts of Plastic Moulds, Press Tools, Jigs & Fixtures, Gauges, Extrusion Dies, and Blow Moulds.
- b. Manufacturing of high precision Jobs & Machine Components.
- c. Production with latest technologies like CNC and CAM.
- d. Repairing, Re-sharpening & Maintenance of Dies & Tools
